Our Ref 58001/17

6th March 2017

SUBJECT: TESTIMONIAL

TO WHOM IT MAY CONCERN

I engage Mr Powell to defend our case at VCAT.

I found Mr Powell to be highly productive and effective in the conduct of my case as compared to other Lawyers I have engaged in the past.

The end result being a realistic outcome, given circumstances of the case.

I have no hesitation in recommending Mr Powell as a defense lawyer within his field of expertise.
