Testimonial

I Martin Spicer dealt with Brett Powell for a period of 15 months in respect of a very grievous and complex building litigation suit. Over that period, Brett showcased the following characteristics:

- 1 Very technically competent;
- 2 Always transparent and fair;
- 3 Exhibited a sense of humour and a human touch when required;
- 4 Always available and very spontaneous to urgent matters;
- 5 Excelled under extreme pressure for an eight hour period without a break during negotiations at VCAT.

I will never put myself in this position again.

Yours sincerely

Martin Spicer
